

Delivering financial news **in** **real time**

ET Net Limited

ET Net provides real-time financial news, market commentaries, stocks, and derivative quotes to professional traders and investors. To keep operations running reliably 24/7, the company recently upgraded its legacy business applications to an all-new system underpinned by high-performance Lenovo ThinkSystem servers and storage. Supported by Lenovo Professional Services, ET Net slashed the deployment time by 50%, minimizing business disruption to keep financial news flowing.
